Stat. § 340A.503, subd. 6, as amended from time to time, if the licensee has reasonable grounds to believe that the form of identification has been altered or falsified or is being used to violate any law. All licensed products must be stored behind the sales counter or other area not freely accessible to customers, or in a case or other storage unit not left open and accessible to the general public. Any retailer must comply with this section within 90 days of the effective date of this ordinance. The self-service restrictions described in this section shall not apply to Tobacco Shops.

All licensees under this ordinance shall be responsible for the actions of their employees in regard to the sale of licensed products on the licensed premises, and the sale of such an item by an employee shall be considered a sale by the license holder. Nothing in this section shall be construed as prohibiting the County from also subjecting the employee of a licensee to whatever penalties are appropriate under this ordinance, state or federal law, or other applicable law or regulations.

Section 900. Compliance Checks and Inspections. All licensed premises must be open to inspection by law enforcement or other authorized County officials during regular business hours. From time to time, but at least once per year, the County will conduct compliance checks. In accordance with state law, the County will conduct at least one compliance check that involves the participation of a person between the ages of 17 and 20 to enter licensed premises to attempt to purchase licensed products. A written request for a hearing shall be made to the Benton County Administrator.

Subd. 3. Hearing Committee. The County Board shall appoint a hearing committee or hearing officer, who shall have the authority to review all facts relevant to the license denial or alleged violation and the penalty imposed, and sustain or reverse the decision of the County Board or other County official regarding the guilt of the accused, and/or sustain, reverse or modify the penalty imposed by the County Board or County official.

Subd. 4. Decision. The hearing committee or hearing officer's decision, along with the officer’s or committee’s reasons for supporting the denial of a license or a finding a violation and the penalty to be imposed under Section 1200 of this ordinance, shall be recorded in writing, a copy of which shall be provided to the accused violator. Upon a fourth violation, the license will be revoked. No revocation, suspension or penalty may take effect until the licensee has received notice, served personally or by mail, of the alleged violation and an opportunity for a hearing before a person authorized by the licensing authority to conduct the hearing. A decision that a violation has occurred must be in writing.

Subd. 2. Employees of Licensees and Other Individuals. An individual aged 21 years or older who is found to be in violation of Section 1000, Subd. 1 of this ordinance may be charged an administrative penalty of $50. If any section or portion of this ordinance shall be found unconstitutional or otherwise invalid or unenforceable by a court of competent jurisdiction, that finding shall not serve as an invalidation or effect the validity and enforceability of any other section or provision of this ordinance.

Section 1500. Exceptions and Defenses. Nothing in this ordinance shall prevent the providing of tobacco or tobacco-related devices to a minor or person under the age of 21 as part of a lawfully recognized religious, spiritual, or cultural ceremony.
