

**Statement of Evidence:**

**H303**

East Quarter Corner of Section 30, Township 37 North, Range 29 West, Gilmanton Township, 4<sup>th</sup> Principal Meridian, Benton County, Minnesota.

1855 Original US General Land Office survey set a wood post with bearing trees noted as:

12" Elm	N 78 E	40 links
14" Elm	N 78 W	57 links

1878 County Surveyor's Record Book 1, page 460, shows survey by Richard Cronk of the east line of Section 30. Survey shows 80.0 chains between the NE and SE corners. (Note: this appears to indicate that he set the 1/4 corner lost.)

1992 Sidney Williamson, LS 10918, set a cast iron monument at lost position, on line and at single proportionate measurement, between the SE and NE corners of Sec. 30. Corner fell 7 feet east of centerline of north-south road and in line with fence west. He filed a Certificate of Location (#213106).

2003 Westwood Professional Services, Inc. found CIM as noted on the 1992 Certificate. Only tie remaining was to the Fence Post west. Found CIM to be 0.09 feet north and 0.22 feet west of lost position.
