

**Statement of Evidence**

**J303**

The East Quarter Corner of Section 30, Township 36 North, Range 28 West, Glendorado Township, 4<sup>th</sup> Principal Meridian, Benton County, Minnesota.

- 1855 Original US General Land Office survey set a wood post at this location and bearing trees were recorded.  
6" Blk Oak S 41 3/4 E 37 links
- 2002 No resurvey information was found on this corner in the Benton County Surveyor's records. However, back of County Engineer's notebook No. 46 shows east line of Section measured at 5314.40 feet and the 1/4 corner midway. (Book is dated 1925.) County Engineer's notebook No. 79 shows line measured at 5330.5 with 1/4 corner midway, although note says set by testimony of Wm. David in c/l wagon track (Book is dated 1930).
- 2008 The County Surveyor's Office searched and did not find evidence of the corner. Per the wood post found by Dennis Pederson (RLS 16095) at the SE corner, and 1925 survey information, the corner was set lost at 6", more or less, under the gravel road with a 1/2" iron pipe capped "RLS 19552." This position agrees with an old east-west fence line to the east. Ties were made.
