

Statement of Evidence:

J091

The North Quarter Corner of Section 9, Township 36 North, Range 28 West, Glendorado Township, 4th Principal Meridian, Benton County, Minnesota.

1855 Original US General Land Office survey set a wood post at this location and bearing trees were recorded.

1914 County Surveyor's Record Book 1, pages 23 and 24, and Record Book A, Map No. 1, shows a survey for the subdivision of Section 8 by J. P. Soderstrum. He notes he found a stake at this corner in meadow and measured 40.06 chains to the NW corner.

2008 The County Surveyor's Office searched and found a $\frac{1}{2}$ " iron pipe capped "9394" on line with north-south and east -west occupation lines. A further search for Soderstrum's stake set in 1914 was made but no stake was not found. The $\frac{1}{2}$ " iron pipe gives a distance to the NW Cor. of Section 9 of 2646.77 ft. (40.10 ch.) which is close to Soderstrum's 1914 measurement of 2644 ft. (40.06 ch.). The Surveyor accepts the iron pipe and set ties to same.
