- 1914 County Surveyor's Record Book 1, pages 23 and 24, and Record Book A, Map No. 1, shows a survey for the subdivision of Section 8 by J.P. Soderstrum. He found no evidence of the corner.
- 1914 County Surveyor's Record Book 1, page 41 & 42, and Record Book A, Map No. 2 contains a survey of Section 17 by J.P. Soderstrum. He did not find any corner and set a stake for this corner on true line and equidistance.
- 2005 WSN searched corner area and found no evidence of a corner marker. Corner falls in east-west gravel road with no physical evidence of occupation lines north or south. We measured 5135.64 feet between section corners. Since Soderstrum did not find the corner and reestablished it by lost methods, we set a 1/2" iron pipe for the corner by lost method, midway and on line between section corners.
County Coordinates to lost position:
NAD 83 (1996 Adjustment)
N- 121672.908
E- 550445.767
- 2005 Certificate of Location of Government Corner filed as Document Number 332047.
