

Statement of Evidence:

J201

The North Quarter Corner of Section 20, Township 36 North, Range 28 West,
Glendorado Township, 4th Principal Meridian, Benton County, Minnesota.

- 1855 Original US General Land Office survey set a wood post at this location and bearing trees were recorded.
7" Blk Oak S 32 ½ W 64 links
- 1914 County Surveyor's Record Book 1, pages 41 and 42, and Record Book A, Map No. 2 contains a survey of Section 17 by J.P. Soderstrum. He notes that he found nothing at the corner and that the corner should be located by proportionate distance on true line.
- 2003 Westwood Professional Services, Inc. found no evidence of a corner marker. We measured 5229.46 feet between section corners. The lost position, midway and on line between section corners, falls 7.6 feet east of a fence line running south and 2.5 feet south of the centerline of east-west road. Based on Soderstrum's findings in 1914, set the corner at the lost position.
