2008 Westwood Professional Services excavated the corner position with a Benton County backhoe. A 14" field stone was found with a "X" marked on the top. The stone was found under the cast iron monument at the centerline intersection or roads north, south and west. The location of the stone and CIM is accepted as marking the obliterated corner position and a 1/2" by 14" iron pipe capped 19552 was set to mark the position.
