The Northeast Corner of Section 35, Township 36 North, Range 28 West, Glendorado Township, 4<sup>th</sup> Principal Meridian, Benton County, Minnesota.

1855 Original US General Land Office survey set a wood post with bearing trees noted as

24" W Oak	S 7 E	53 links
13" W Oak	N 84 W	25 links

1979 John Oliver, LS 8194, reestablished the corner at a fence line east and the centerline of a road north/south. This location was verified by testimony and comparison of old survey distances. He set a cast iron monument and filed a Certificate of Location (#155686).

2002 No resurvey information was found on this corner in the Benton County records.

2008 The Benton County Surveyor's Office searched and found John Oliver's cast iron monument broken off at the top in the centerline of the north-south gravel road (185<sup>th</sup> Ave N.E.). Location fits occupation lines running to the east and west. Accepted Oliver's cast iron monument as the best evidence and set a 1/2" x 14" iron pipe capped "RLS 45872" over said monument and set new ties.
