Statement of Evidence:

J113

The East Quarter Corner of Section 11, Township 36 North, Range 28 West, Glendorado Township, 4th Principal Meridian, Benton County, Minnesota.

In 1855, Oscar F. Davis set a wood post at this location and bearing trees were recorded.

14" Sugar	S 25 W	21 links
10" Oak	S 20 1/2 E	33 links

In Book 1, page 29 and on December 20, 1901, (on a John E. Whilt survey, listed as map No. 41) this corner is set lost at 20.33 1/4 chains per 40 acres.

On November 5, 2002 Westwood Professional Services, Inc. searched the corner area, but found no evidence of a corner or ties. We measured 5355.04 feet between section corners, which compared well with the Whilt survey of 81.33 chains (5367.78 feet). Since Whilt established the corner lost in 1901 we set an iron capped #12684 at the lost position and established reference ties. The corner is set at 1338.76 feet per 40 acres.
