

**Statement of Evidence:**

**E15C**

The Meander Corner No. 7 on the North line of Section 15, Township 38 North, Range 32 West, West Langola Township, 4<sup>th</sup> Principal Meridian, Benton County, Minnesota.

1852 Original US General Land Office surveyor, Edwin James, Jr., set a wood post at this location and bearing trees were recorded.

12" Blk Oak	N 11 W	59 links
6" Bur Oak	S 63 E	78 links

This corner is 28.50 chains west of the Northeast Corner of Section 15.

Plat of ROLLING OAKS RIVER ESTATES falls in both sections. The section line is shown, but not tied in.

2003 Found no resurvey information on this corner in the Benton County records. Searched corner area 1881.00 feet (28.50 chains) west of the NE corner of Section 15. Found no evidence of a corner marker, bearing trees, or occupation lines. Ownership is common on both sides of the section line and therefore there is no line of occupation from the NE corner of Section 15 west. In 1973, M. W. Carley, RLS 855, surveyed the plat of ROLLING OAKS RIVER ESTATES that denotes its' north line to be the east-west quarter line of Section 10. No information is given on the plat concerning the north line of Section 15. We found a Carly plat iron 2443.15 feet west of the East ¼ corner of Section 10 and used it to reestablish the East ¼ corner of Section 9.

See Statement of Evidence for MC No. 13. This corner not set.
