

**Statement of Evidence:**

**A103**

East Quarter Corner of Section 10, Township 38 North, Range 28 West, Granite Ledge Township, 4<sup>th</sup> Principal Meridian, Benton County, Minnesota.

1855 Original US General Land Office survey set a wood post at this location and bearing trees were recorded.

1973 William Lunser, LS 9394, set a 3/4 " iron pipe at the intersection of fences north, south, and east and filed Certificate of Location (Doc. No. 137340). Notes that position is supported by measurement of 2677.54 feet north to the NE corner of Section 10.

2007 Benton County Surveyor's Office found a 3/4" iron pipe with a 3/8" rebar in the center at the intersection of a north/south/east fence. The corner measures 2677.83 feet to the Northeast corner of Section 10 which matches the 2677.54 feet Lunser measured very well. The iron pipe was accepted as the Obliterated Quarter corner.
