

**Statement of Evidence:**

**A251**

North Quarter Corner of Section 25, Township 38 North, Range 28 West, Granite Ledge Township, 4<sup>th</sup> Principal Meridian, Benton County, Minnesota.

1855 Original US General Land Office surveyor, Oscar F. Davis, set a wood post at this location and bearing trees were recorded.

1902 County Surveyor's Record Book 2, page 358 and Record Book A, Map No. 37 show a survey of the subdivision of Section 25 by John Whilt. This corner is shown as being set lost (midway between section corners) with a distance of 81.67 chains (5390.22 feet) between the Northeast and Northwest corners of Section 25. The type of monument set at the corner is not given.

2003 Westwood Professional Services, Inc. searched for corner in the center of east-west road and fence line north. No monument was found. We measured 5406.21 feet between section corners. The lost position fit the center of the road and the fence line running north. Based on the 1902 survey and the occupation, set a 1/2 " iron pipe for the corner at the lost position. Filed Certificate of Location (Doc. No. 305095).
