10" Aspen	N 23 3/4 E	1555 links

2002 No resurvey information was found on this corner in the Benton County records.

No Date Information from David Regan, LS 12236, shows an iron pipe at the corner, 2690.01 feet south of the NE corner. Believe this information is from M. Torborg, LS.

2004 BWK could not find iron pipe, but found that the distances from Regan fit fence corner. Computed corner based on distance of 2690.01 feet from the NE corner and 5302.88 feet from the West 1/4 corner. Measured 2722.16 feet to the SE corner.

County Coordinates from BWK  
NAD 83 (1996 Adjustment)  
N- 124062.804  
E- 489420.932

2009 Westwood Professional Services Inc., found a 1/2" iron pipe in agreement with the position reported by BWK at the intersection of fences north-south and east. A measurement of 2690.01 was made from the Northeast Corner and 5302.68 from the West Quarter Corner. The 1/2" pipe was accepted as marking the obliterated corner location. The 2004 coordinates were verified and reference ties were taken.
