

Statement of Evidence:

L023

The East Quarter Corner of Section 2, Township 36 North, Range 30 West, Minden Township, 4th Principal Meridian, Benton County, Minnesota.

1852 Original US General Land Office survey set a wood post at this location and bearing trees were recorded.

10" Ironwood	N 56 E	24 links
6" Linwood	S 62 W	20 links

2004 No resurvey information has been found on this corner in the Benton County records.

2010 Westwood Professional Services, Inc. searched the area for the original monument and accessories, but did not find anything. The distance south is approximately a chain or four poles (68 feet) long of GLO distance and the distance north is approximately 23 feet long of GLO distance. The north tier of sections in Benton County often measure quite long of GLO distances as in this case. The long standing fences were accepted as marking the obliterated corner position and a 1/2" x 14" iron pipe capped #19552 was placed at the intersection of fence lines North and East.. Ties were established and GPS coordinates were obtained.
