2002 Research of County records found no information on this corner.

2009 Westwood Professional Services Inc. found a CIM on a fence line running east-west and the extension of a north-south fence line located about  $\frac{1}{4}$  mile to the north. A distance of 2682.13 feet was measured to the NE corner of Section 12 and a distance of 2618.57 feet was measured to the NW corner of Section 12. There is no record of who placed the CIM or how it was established. The CIM is 33 feet west and 43 feet north of a computed lost position between the NE and NW corners of Section 12. The CIM was accepted as marking the position of the North Quarter corner of Section 12 and reference ties were established.
