We measured 2651.86 feet to the NE corner of Section 36 and 2637.45 feet to the NW corner of Section 36. The 1/2" iron pipe is 7.4 feet west and 1.8 feet south of a computed lost position. A 5" inch spike was also found 32.25 feet west of the 1/2" iron, but its origin is not known. The 1/2" iron pipe capped 16095 was accepted as the North Quarter corner of Section 36.
