PRESS RELEASE

AUTHORITY OF SHERIFF TROY HECK

On 09-18-18 the Benton County Sheriff's Office arrested a man for possession of suspected methamphetamine and cited a woman for possession of drug paraphernalia. At about 11:30 am on 09-18-18, a Benton County deputy stopped at a residence on Indian Rd NW in Watab Township to conduct an investigation. Upon stopping at this residence, the deputy found a vehicle parked in the driveway that was occupied by three people. The deputy made contact with the individuals in the vehicle to find out if the person he needed to speak with was among them. The deputy learned that the person he needed to speak with was in the vehicle and also detected the odor of marijuana coming from inside the vehicle. The deputy spoke briefly to the person he had sought out at the residence before making contact with the person in the driver's seat of the vehicle, Willow Mae Adkins-Bollig (age 19 of Little Falls). Adkins-Bollig told the deputy that she had just finished smoking marijuana and handed the deputy a container that held trace remnants of a green leafy substance believed to be marijuana. The deputy then requested Adkins-Bollig and the front seat passenger, Daniel Gene Hoehle (age 32 of Little Falls) step out of the vehicle. The deputy asked Hoehle for his identification. Hoehle gave the deputy a false name, identifying himself as his twin brother. Once Hoehle's true identity was discovered, it was learned that he had two active warrants for his arrest. A search of the vehicle was conducted which yielded several items of drug paraphernalia. During the search a small plastic baggie containing suspected methamphetamine was found on the ground below the passenger door of the vehicle. After this baggie was found, Hoehle made a statement to the deputy indicating that the illegal substances belonged to him. The squad car video of this incident was reviewed and the deputy observed that Hoehle was seen on this video exiting the vehicle upon the deputy's request, dropping an object next to the passenger side of the vehicle, and kicking this object under the vehicle. Hoehle was arrested on his outstanding warrants and on the new charges of giving a false name to police and possession of methamphetamine. Hoehle was transported to the Benton County Jail. Adkins-Bollig was cited for possession of drug paraphernalia and released at the scene. The Benton County Sheriff's Office was assisted at this incident by the Rice Police Department.
