NEWS RELEASE

“Benton County DMV in Foley Closed”

March 18, 2020

Benton County’s DMV Office in Foley is closed until further notice. This includes drivers licenses, tabs, plates and vehicle title work. Our facility does not allow for the necessary social distancing between customers and employees, or between customers, as recommended by the Minnesota Department of Health and the Centers for Disease Control during the current public health emergency. The County has no estimate of when the DMV Office may re-open. We are exploring options for creating a safe environment for employees and customers that will allow the DMV office to re-open.
