## NEWS RELEASE

### **Benton Beach Campground Open**

June 1, 2020

Benton County's Benton Beach campground is now open but with restrictions in place. The County is following campground guidelines released by the Minnesota Department of Natural Resources. Campsite spacing requirements have resulted in approximately half the Park's campsites being closed. Currently open are 19 sites with electricity and water, 3 sites with electricity only and 7 tent camping sites with no electricity or water. Campsites are "first come-first served" basis. The shelters and Lakeview Event Center remain closed.
