

Benton County Child and Teen Checkups (C&TC) Vision Provider List

If you and/or your children have gone to a vision provider who is not on this list, call their office to ask if they accept Medical Assistance (MA) for patients/families they have seen before. If you and/or your children do not have a vision provider in the area, or your previous vision provider does not accept MA, please refer to the following list. This information changes, so please call the clinic to verify they accept your insurance. You can also call us or your health plan's customer service number on the back of your insurance card for additional assistance. Remember to bring your member ID card to all appointments.
