PLEASE NOTE:

- ✓ Unused pages do not carry over to the following month.
- ✓ You may pay more than one month in advance if you choose.
- ✓ You are invoiced for the level of access you request each month. If you need additional pages during a given month, you can send in additional fees for more pages.
 - ❖ Your level of access cannot be changed after the 1st of the month. If you send in extra fees, you are given the added pages associated with that level, but you can't "upgrade" to the next level. You can change your level of access before the 1st of the month if you choose.
